U.S. SENATE
THE COMMITTEE ON
WORLD AFFAIRS
Washington, D.C. 20510

RE: ~~CONFIDENTIAL~~

I realize that this is an extremely important and sensitive time for you. But I hope that you will be able to find time during your discussions with President Brezhnev to inquire about the case of Mr. Raoul Wallenberg, the Swedish diplomat who saved thousands of Jews in Hungary during World War II.

I understand that Mr. Wallenberg may be alive and in a Soviet prison. As you know, Mr. Wallenberg's humanity saved thousands of Jews from certain death at the hands of the Nazis. In light of the recent information which indicated that Mr. Wallenberg may still be alive, I urge you to inquire about his situation during your meetings with President Brezhnev.

I would also like to convey to you the strong positive feeling of the American people towards your efforts to bring lasting peace and stability to the world. Our thoughts are with you during this most important meeting.

Sincerely,

Carl Levin,
United States Senator
